

# DOCKS NLD

< TRIMODAL CARGO CENTRE 'S-HEERENBERG >

< FOCUS ON FREIGHT >

## LARGE AND FLEXIBLE PLOTS

**BUILDING UP TO 26 HECTARES  
AND 22 METER HEIGHT**

DocksNLD offers you very large and flexible plots up to 260,000 sqm. On DocksNLD you can build up to 22 meters in height. Road infrastructure is completed and the site is directly available for all kinds of logistics services.

## UNIQUE LOCATION

**SHORT AND FAST TRIMODAL CONNECTIONS TO  
THE RANDSTAD AND RHEINRUHR AREAS**

DocksNLD is located right on the border of Germany and The Netherlands: on the Dutch side of the border, in the town of 's-Heerenberg. The site is accessible from the E35 motorway (or German motorway: BAB 3 or Dutch: A12). The Rhein-Waal Terminal and the railway station in Emmerich am Rhein are located within 5 kilometers from this site. This offers you direct and fast intermodal connections to all other logistics hotspots in The Netherlands and Germany.

## QUICK REALIZATION

**OUR PROJECT TEAM ASSISTS YOU  
ALL THE WAY**

Choosing DocksNLD means that you will get support from the first email or phone call until your operation is up and running. Our team of professionals will help you to obtain your necessary permits in the fastest way possible. A dedicated professional from the municipality will help you with all questions you might have.
